OUR VISION

We strive to serve God, each other, our Parish and our Community.

OUR CULTURE

We pursue our vision in a team atmosphere. Good camaraderie permeates our fun-loving spirit and hard working attitude. It is heard in our conversation about jobs, families and shared experiences of life. It lives in the laughter of good natured joking; the competition of friendly games and in hearts that offer sympathy when sorrow comes. Camaraderie appears on our brows in the sweat created by working and playing together. It is given in the form of financial assistance to causes in our parish and community and, it is shared through our hands that offer physical assistance to our fellow parishioners, our community and each other. We take pride and satisfaction in a job well done. Most importantly, we reflect in prayerful thanks and worship of He who is in the beginning, middle and end of all that we do.
